NeuroHarmony Sample Report

Portable neurofeedback & brain wellness programme

SAMPLE DOCUMENT · replace with your final PDF

02

The Science

This sample document is a layout placeholder. Replace it with your finished PDF by keeping the same file name in the docs folder.

The final document will present the product story, the science behind it and the customer journey in a clear, consistent visual system.

Use this space for specifications, indications, kit contents, turnaround times and any regulatory statements required for your market.

- **Personalised results**
- **Easy-to-read reporting**
- **Reviewed by experts**

03

How It Works
